FREQUENTLY ASKED QUESTIONS

How will we be sending aid? We have a team in Poland working to understand the type of emergency shelter and essential aid items people need, and which locations in eastern Europe we might be able to work in. Our aid stock in Belgium allows us to send aid quickly. We are currently working with other in-country partners - including Rotary - so that we can support as many people as possible.

What aid are we looking to provide? Shelter tool kits, tarpaulins, and fixings to help repair damaged homes. As people are fleeing in the bitter cold, we're also considering blankets, mattresses, winter clothes, and heaters, along with solar lights, and water carriers.

Will my donation go to the Ukraine crisis? Yes. Currently, monies fundraised will be going towards our response to the Ukraine crisis. Any additional money raised above what is needed will help families affected by disaster in other parts of the world.

Who is ShelterBox Canada? ShelterBox is an international disaster relief organization that hand-delivers aid to families devastated by conflict or disaster, to provide them safe shelter and the tools to rebuild their lives and communities.
